

### **EQuIPP™**

Get access to the EQuIPP platform to manage and monitor your quality scores. Access patient outliers, Quality Improvement Program information, and rankings by plan.

### **QUALITY SUPPORT**

A dedicated quality team is on standby to help you navigate the road to quality.

### **P4P**

Program information, tutorials, and scorecards are available to help you maximize Pay for Performance (P4P) payouts.

### **DIR FEES**

Know which plans charge quality-based Direct and Indirect Remuneration (DIR) fees, understand how the fees are calculated, when they are deducted, and how to lower them through quality efforts.

### **MTM**

Get the tools and resources to provide Medication Therapy Management (MTM) services including CMR completion rates and Star Ratings related cases.

### **TODAY'S ACTIONS**

View your Med D Star Ratings patient lists to keep your Med D patients adherent; manage High Risk Meds and Statin Use in Diabetics.

**Your Path  
to a  
5-Star  
Quality Rating.**
